# Executive Director / CFO Report May 17, 2023

# Safety and Training

As of May 13, Sanitary District employees have worked 1759 days since the last lost time accident and 747 days since the last recordable injury.

# Labor Management

A Labor Management meeting was held on May 9. Trustee Smallwood was the Board representative. The Labor representatives presented their version of the designated on call policy items. There was productive discussion about the policy and an outline of additional sections to be added by Management. Creating a policy that is easy to implement and understand was a goal of both sides. The upcoming bidding for operator shifts was also discussed. The minutes from the April meeting are attached.

# **Investment Summary**

# Financial Summary as of 4/30/23

- Cash balances, all funds \$ 35,642,776.31
- Investment balances, all funds \$ 44,993,963.84
- Operation revenue is more than expense by \$ 9,148,960.97 and total revenue is more than expenses from all sources by \$ 10,244,220.25.

These financials for April will change as the audit is completed and items are accrued to the correct month for reporting purposes. We will continue to receive revenue and expenses up to 60 days after the year end.

# The Decennial Committees on Local Government Efficiency Act

The first Local Government Efficiency Committee meeting is recommended for July. Julie Miller and Ed Culp will be invited to attend the meeting and notice will be provided to local media outlets.

# <u>Audit</u>

Kelly Carstens and Christina White are beginning to prepare for the audit. The schedule for on-site work has not yet been finalized.

# 2022-23 Performance Benchmark Report

The final scorecard for the performance incentive is attached. Staff earned full credit for all but two of the benchmarks. This resulted in a score of 90 out of 100 and an incentive of 95% of the budgeted amount.

The incentive is a portion of the compensation for non-union employees which is paid in a lump sum and does not become part of the base salary and does not compound. The performance incentive is also at risk and must be earned by meeting the performance benchmarks each year. The scorecard includes twelve benchmarks, seven of which have remained essentially the same since the system was developed. The other five benchmarks can be changed from year to year to reflect the areas of emphasis for the year.

# Marketing, PR and Communications

The Sanitary District will be sponsoring the portable restrooms for the Park District's Devon Amphitheater. We will not be paying the Park District directly but will be working with Parks Sewer Service to provide the cleaning service for the restrooms. We will be listed as a title sponsor with logo placed on sponsor page on venue website, Logo placement on signage at the venue and Promotional mentions on venue social media. DCC is working on signage promoting SDD and discouraging flushing wipes and other items not intended for the sewer system.

# 2023-2024 Budget Update

State law requires that the Budget and Appropriation Ordinance be available for public review (thirty) 30 days before it is adopted. During this time, the ordinance can be reduced but not increased without extending the review period for an additional 30 days. The budget has been reduced since the special meeting as projections have become clearer. The proposed ordinance is included and the public review will begin on May 18.

# **Community Outreach**

We learned from the school tours and will be making some improvements and revisions before they are offered again for the next school year. We are hoping that science teachers will be able to work the tours into their regular lesson plan so the timing of the tour corresponds with what students are learning in the classroom.

# **Bylaws for Watershed Group**

The draft Bylaws for Watershed Group have been developed with Mr. Flynn's assistance and provided to consultants from Black & Veatch and Geosyntec. The comments we have received from the consultants are being incorporated into the proposed bylaws.

This watershed group will be different than many of the watershed groups already formed in the state because SDD is the only major NPDES permit holder in the watershed area. The main focus of other watershed groups is to coordinate study and impairment improvement efforts in the receiving stream and equitably share costs.

# SANITARY DISTRICT OF DECATUR

501 DIPPER LANE, DECATUR, IL 62522

**TO:** Kent Newton, Holly Gulick, Tishia Greve, Tom McGarry, Kyle Stewart

**DATE:** April 12, 2023

SUBJECT: Labor Management Meeting Minutes

The L/M meeting was held on Tuesday, April 11, 2023, in the Board Room at 2:30 pm.

Agenda items:

# 1. Contract Implementation (L/M)-

- A. Designated On-call Pay policy (L/M)- Policy on how to be implemented still under writing and review. Labor will use the Call-in Policy as a base and add suggested procedures for calling, how to temporarily transfer on-call responsibility, etc. Management will develop standards for fitness for duty and outline discipline structure. KN suggested that the next meeting about this issue can take place earlier than the next regular monthly LM meeting
- 2. Job Positions Postings (L) TG inquired about the posting of the Sampling Technician position and how internal candidates are informed of management decisions when interviewing for open positions. HR to provide copy of Bargaining Unit (BU) job postings to Chapter Chair. HR Coordinator will meet with internal candidates who did not receive new positions before releasing the information to all District staff.
- 3. **Overtime work rules (L)-** TM discussed a non-bargaining unit employee staying over and assisting with an overtime job. KN asserted that all BU employees on the job who wanted to stay over and work overtime were held over and assigning work is a management right but agreed to clarify the issue with the employee and the employee's supervisors.
