3) It is the intent of this Agreement that the DISTRICT shall receive the same total amount of revenue from Property and users covered by this Agreement as though Property and users were within the DISTRICT. The PROPERTY OWNER and assignees shall make service charge payments to the DISTRICT

equal in total annual amount as though all of the PROPERTY OWNER'S Property is within the DISTRICT's boundaries. The DISTRICT service charges consist of two (2) parts: (A) Ad valorem assessments against taxable properties within the DISTRICT or properties otherwise served by DISTRICT, and (B) user charges additional to said ad valorem assessments based upon an actual discharge of waste water directly or indirectly to DISTRICT waste water system. Until such time as Property and users covered by this Agreement actually become an integral part of the DISTRICT, the PROPERTY OWNER and assignees agree to make service charge payments to the DISTRICT as follows.

a) The PROPERTY OWNER and assignees shall make an annual service charge payment to the DISTRICT equal to the total amount paid by properties within the DISTRICT boundaries and connected to a public sewer system, and paying DISTRICT taxes which include levies for, but not limited to, corporate purpose bond debt service, debt retirement fund, public benefit fund, etc. This payment by the PROPERTY OWNER or assignees to the DISTRICT shall be made on or before September 1 of each year after connection to the DISTRICT sewer system and continuing until such time as said Property shall be annexed to the DISTRICT, and taxes assessed as a result of the annexation.

b) The PROPERTY OWNER and assignees agree to pay the DISTRICT on or before twenty-one (21) days after receiving quarterly user charge billing for water discharged to the sewer system, derived from wells or a municipal water supply. This charge will commence upon connection of sewer line to the DISTRICT facilities. These charges are arrived at by charging a flat rate of **EIGHTEEN DOLLARS AND SIXTY-SIX CENTS (\$18.66)** per quarter for well water discharge or **NO DOLLARS AND SEVENTY-EIGHT CENTS (\$0.78)** per one hundred cubic feet of metered municipal water discharge. The PROPERTY OWNER agrees to pay any increase in these rates as determined by the Sanitary District Board of Trustees.

4) The PROPERTY OWNERS agree that if they fail to perform any of the terms herein acquired by the PROPERTY OWNERS, then the DISTRICT may enforce this Agreement by filing suit to collect any and all fees owed by the PROPERTY OWNER to the DISTRICT. The parties also agree that the PROPERTY OWNER shall be responsible for all expenses incurred by the DISTRICT to enforce this Agreement including, but not

limited to, reasonable attorney's fees, and Court costs incurred in good faith by the DISTRICT to enforce the terms of this Agreement.

5) The parties agree that this Agreement shall be recorded and will limit the land and shall be binding upon all future owners of the property described herein.

IN WITNESS WHEREOF, the Sanitary District of Decatur and Casey's Retail Company, an Iowa Corporation, both of Macon County, Illinois, have hereunto affixed their respective hands and seals the 2nd day of December, 2025.
